About Children This page is not intended for children under the age of 18. We will not knowingly collect information from page visitors in this age group. We encourage parents to talk to their children about their use of the Internet and the information they disclose to websites and Facebook pages.

Active Information Collection Like many pages, this page actively collects information from its visitors both by asking you specific questions and by permitting you to communicate directly with us via e-mail, feedback forms, and/or chat rooms. Some of the information that you submit may be personally identifiable information (that is, information that can be uniquely identified with you, such as your full name, address, e-mail address, phone number, and so on).

Some areas of this page may require you to submit information in order for you to benefit from the specified features (such as newsletter subscriptions and tips/pointers) or to participate in a particular activity (such as online survey). You will be informed at each information collection point which information is required and which information is optional.

Passive Information Collection As you navigate through Pages and applications, certain information can be passively collected (that is, gathered without your actively providing the information) using various technologies and means, such as Internet Protocol addresses, cookies, Internet tags, and navigational data collection.

We use Internet Protocol (IP) addresses on this site. An IP Address is a number

assigned to your computer by your Internet Service Provider so you can access the Internet and is generally considered to be non-personally identifiable information, because in most cases an IP address is dynamic (changing each time you connect to the Internet), rather than static (unique to a particular participant's computer). We use your IP address to diagnose problems with our server, report aggregate information, determine the fastest route for your computer to use in connecting to our site, and administer and improve the site.

A "cookie" is a bit of information that a Web site sends to your Web browser that helps the site remember information about you and your preferences.

"Session" cookies are temporary bits of information that are erased once you exit your Web browser window or otherwise turn your computer off. Session cookies are used to improve navigation on Web sites and to collect aggregate statistical information. This site uses session cookies.

"Internet tags" (also known as single-pixel GIFs, clear GIFs, invisible GIFs, and 1-by-1 GIFs) are smaller than cookies and tell the Web site server information such as the IP address and browser type related to the visitor's computer. We do not use Internet tags at this site.

"Navigational data" ("log files," "server logs," and "clickstream" data) are used for system management, to improve the content of the site, for market research purposes, and to communicate information to visitors. This site uses navigational data.

If you provide personally identifiable information to this page/application, we may combine such information with other actively collected information unless we specify otherwise at the point of collection. We will take reasonable measures to prevent personally identifiable information from being combined with passively collected information, unless you consent otherwise.

We may disclose your personally identifiable information to other TATA Motors Limited affiliates worldwide that agree to treat it in accordance with this Privacy Policy. In addition, we may disclose your personally identifiable information to third parties, located in the India and/or any other country, but only

(i) to contractors we use to support our business (e.g., fulfillment services, technical support, delivery services, and financial institutions), in which case we will require such third parties to agree to treat it in accordance with this Privacy Policy;

(ii) in connection with the sale, assignment, or other transfer of the business of this page and application to which the information relates, in which case we will require any such buyer to agree to treat it in accordance with this Privacy Policy;
or

(iii) where required by applicable laws, court orders, or government regulations.

In addition, we will make full use of all information acquired through this page/application that is not in personally identifiable form.

The information can be shared without obtaining prior consent from provider of information, with Government agencies mandated under the law to obtain information including sensitive personal data or information for the purpose of verification of identity, or for prevention, detection, investigation including cyber incidents, prosecution, and punishment of offences. The Government agency shall send a request in writing to the body corporate possessing the sensitive personal data or information stating clearly the purpose of seeking such information.

Access and Correction To keep your personally identifiable information accurate, current, and complete, please contact us as specified below. We will take reasonable steps to update or correct personally identifiable information in our possession that you have previously submitted via this page and application.

Security We take reasonable steps to protect your personally identifiable information as you transmit your information from your computer to our site and to protect such information from loss, misuse, and unauthorized access, disclosure, alteration, or destruction. You should keep in mind that no Internet transmission is ever 100% secure or error-free. In particular, e-mail sent to or from this site may not be secure, and you should therefore take special care in deciding what information you send to us via e-mail. Moreover, where you use passwords, ID numbers, or other special access features on this site, it is your responsibility to safeguard them.

Links to Other Web Sites This page and/or application may contain links or

references to other Websites/pages/applications. Please be aware that we do not control other Websites/pages/applications and that, in any case, this Privacy Policy does not apply to those Websites/pages/applications. We encourage you to read the Privacy Policy of every Web site you visit.

Other Terms of you use of this site is subject to our Terms and Conditions.
